

Company Profile

Company Profile

Khutaza Designs is a Durban based Advertising agency. A professional agency that focuses on creative edge in design and branding. Our team of creatives are highly qualified and skilled in all fields of marketing and branding. The team consists of an Art Director, Photographer, Graphic Designers, Marketing Consultants, Website Designers & Representatives.

We are able to take each client from the grass roots level of their business to the successful completion of their brand exposure. We are passionate and motivated about design and promotional branding, with cutting edge ideas to brand management. They say an image says a thousand words, but at Khutaza Designs we make sure it's the right thousand.

Mission Statement

Inspiration Comes Standard. We strive to give each client quality service, innovative design, competitive pricing & quality branding. We inspire our clients to be successful in all that they do.

Khutaza Vision

To leave a lasting impression in the individualistic expression of our work.
To be referred as a Professional Service Provider to new and potential business ventures.

The Meaning behind the Name

Khutaza - The ability to inspire, to motivate. To revive what is lost.
